D. Application from a freight forwarding/logistics company for membership in SPEDLOGSWISS – Swiss Freight Forwarding and Logistics Association

We, the company named below, herewith apply for membership in SPEDLOGSWISS.

- We pledge to accept the statutes of the corresponding local/regional associations/divisions and SPEDLOGSWISS as binding and to comply with the association's resolutions and instructions, to follow its rules and regulations and to abide by its professional Code of Conduct.
- We are a company or cooperative that is registered in a Swiss or Liechtenstein Commercial Register (an excerpt from the Commercial Register is enclosed).
- Our activity lies in the field of organising freight transport, external freight logistics and/or related services.
- SPEDLOGSWISS is a member association of the OASI/DI/LEC Compensation Office (ak40). In accordance with Article 64 of the OASI Act, every member of SPEDLOGSWISS is entitled to profit from the benefits of ak40 and can join this. If a company is already a member of a different, private association compensation office, they can choose with which office they wish to settle their accounts.
- We have a third-party liability insurance that covers contractual risks within the normal scope for our industry (forwarding agent liability insurance) with a sum insured of at least CHF 1,000,000 (a copy of the policy is enclosed).
- We also have a third-party liability insurance for the non-contractual risk (business liability insurance) with a sum insured of at least CHF 1,000,000 (a copy of the policy is enclosed).
- We pledge that all of our branch offices and subsidiaries within Switzerland and the Principality of Liechtenstein that are active in the field of external freight logistics will apply for membership in the corresponding regional/local associations/divisions and in SPEDLOGSWISS. Membership in the corresponding divisions is subject to a fee and is managed by the respective division.
- We pledge to obtain the SPEDLOGSWISS forms and printed matter (teaching/training materials, air waybill AWB, SPEDLOGSWISS negotiable multimodal transport bill of lading (MT B/L), forwarding order) and all FIATA transport documents from SPEDLOGSWISS.

We confirm that all of the information provided above is correct and that we have understood and will abide by the terms of admission:
